Can you guys check with HHSC - if that's the case lets get back with her to let her know, and do a warm handoff with HHSC External Relations.

Ricky,

This might be the program she is referring to:

Alternatives to Abortion

The Alternatives to Abortion program provides low-income pregnant women with pregnancy and parenting information and supports such as:

- Texas Pregnancy Care Network website, www.texaspregnancy.org.
- Support groups in maternity homes.
- Referrals to community and social service programs such as child-care, transportation, housing, and state and federal benefit programs.

Hey Ricky-

I've got another question for you... could you help connect me with the person in your state who would oversee the Real Alternatives program? It's usually funded with partially/or fully TANF dollars. Indiana is looking at bringing the program to our state and wondered what Texas' experience had been. If you need more background info from me let me know. Thanks for any direction you can provide!
